# Prologis Preleases Nearly 200,000 Square Feet in Brazil Development

SAN FRANCISCO, Aug. 5, 2014 /PRNewswire/ -- Prologis, Inc. (NYSE: PLD), the global leader in industrial real estate, today announced a new lease agreement totaling 197,000 square feet (18,300 square meters) at Prologis CCP Cajamar II, Building 300 in Sao Paulo, Brazil. The repeat customer is a leading logistics and supply chain solutions company.

"There is significant demand for Class-A logistics facilities in the Sao Paulo metro area, as a wide range of manufacturing and retail customers need space to service a rapidly growing consumer market," said Hardy Milsch, Prologis' vice president, country manager, Brazil.

"The park is ideally located for regional distribution facilities and we are pleased to expand this important relationship and accommodate their growing business in Brazil."

Prologis CCP Cajamar II is expected to total nearly 2.9 million square feet (267,000 square meters) at full build out. The project, a joint venture with Cyrela Commercial Properties, is located in the Cajamar submarket of Sao Paulo and adjacent to the Anhanguera Highway.

Prologis CCP is one of the leading providers of industrial real estate in Brazil with approximately 11.7 million square feet (1.1 million square meters) developed or to be developed in the country as of June 30, 2014.

## ABOUT PROLOGIS

Prologis, Inc., is the leading owner, operator and developer of industrial real estate, focused on global and regional markets across the Americas, Europe and Asia. As of June 30, 2014, Prologis owned or had investments in, on a wholly owned basis or through co-investment ventures, properties and development projects expected to total approximately 571 million square feet (53 million square meters) in 21 countries. The company leases modern distribution facilities to more than 4,700 customers, including manufacturers, retailers, transportation companies, third-party logistics providers and other enterprises.

The statements in this document that are not historical facts are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements are based on current expectations, estimates and projections about the industry and markets in which Prologis operates, management's beliefs and assumptions made by management. Such statements involve uncertainties that could significantly impact Prologis' financial results. Words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "estimates," variations of such words and similar expressions are intended to identify such forward-looking statements, which generally are not historical in nature. All statements that address operating performance, events or developments that we expect or anticipate will occur in the future — including statements relating to rent and occupancy growth, development activity and changes in sales or contribution volume of properties, disposition activity, general conditions in the geographic areas where we operate, our debt

and financial position, our ability to form new co-investment ventures and the availability of capital in existing or new co-investment ventures — are forward-looking statements. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions that are difficult to predict. Although we believe the expectations reflected in any forward-looking statements are based on reasonable assumptions, we can give no assurance that our expectations will be attained and therefore, actual outcomes and results may differ materially from what is expressed or forecasted in such forward-looking statements. Some of the factors that may affect outcomes and results include, but are not limited to: (i) national, international, regional and local economic climates, (ii) changes in financial markets, interest rates and foreign currency exchange rates, (iii) increased or unanticipated competition for our properties, (iv) risks associated with acquisitions, dispositions and development of properties, (v) maintenance of real estate investment trust ("REIT") status and tax structuring, (vi) availability of financing and capital, the levels of debt that we maintain and our credit ratings, (vii) risks related to our investments in our co-investment ventures and funds, including our ability to establish new co-investment ventures and funds, (viii) risks of doing business internationally, including currency risks, (ix) environmental uncertainties, including risks of natural disasters, and (x) those additional factors discussed in reports filed with the Securities and Exchange Commission by Prologis under the heading "Risk Factors." Prologis undertakes no duty to update any forward-looking statements appearing in this document.
