BioCentury 23rd Annual Future Leaders in the Biotech Industry Conference

Date: Friday, March 11

Time: 2:00 pm ET

Room: Room 311

Location: Millennium Hotel, 145 West 44th Street, New York, NY

About Syros Pharmaceuticals

Syros Pharmaceuticals is a biopharmaceutical company applying a pioneering approach to discover and develop medicines that control the expression of genes with the aim of treating cancer and other serious diseases. Syros has built a proprietary gene control platform that provides the Company with a unique lens to identify crucial genes that become dysregulated in diseased cells. Syros is leveraging its platform to develop a pipeline of gene control product candidates that it believes will provide a profound and durable benefit for patients. The Company's scientific founders are world-class leaders in gene control research and translation. Launched by Flagship Ventures and ARCH Venture Partners, Syros Pharmaceuticals is located in Cambridge, Mass.
