SEACOR HOLDINGS ANNOUNCES THIRD QUARTER RESULTS

FORT LAUDERDALE, FL--(Marketwire - October 25, 2007) - SEACOR Holdings Inc. (NYSE: CKH) announced net income for the third quarter ended September 30, 2007 of \$70.3 million, or \$2.66 per diluted share, on operating revenues of \$360.0 million. For the nine months ended September 30, 2007, net income was \$173.7 million, or \$6.44 per diluted share, on operating revenues of \$996.1 million.

For the third quarter ended September 30, 2006, net income was \$63.2 million, or \$2.28 per diluted share, on operating revenues of \$349.4 million. For the nine months ended September 30, 2006, net income was \$176.0 million, or \$6.32 per diluted share, on operating revenues of \$986.3 million.

For the preceding quarter ended June 30, 2007, net income was \$65.3 million, or \$2.41 per diluted share, on operating revenues of \$325.5 million.

Highlights for the Quarter

Offshore Marine Services -- Operating income in the third quarter was \$70.3 million on operating revenues of \$179.6 million compared to operating income of \$95.0 million on operating revenues of \$171.4 million in the preceding quarter. Third quarter results included \$13.2 million in gains on asset dispositions compared to \$38.5 million in gains in the preceding quarter.

The number of days available for charter in the third quarter decreased 571, or 3.2% due to a net reduction in fleet count. Overall average day rates increased from \$10,948 to \$11,769 per day. Overall utilization decreased from 84.0% to 83.6%.

Operating expenses in the third quarter were higher due to wage increases in the North Sea region following an annual rate review and the addition of one new vessel to the North Sea fleet. In the Far East region, additional costs were incurred to charter-in third party vessels in order to provide cover for vessels undergoing dockings. Additionally, during the third quarter SEACOR was invoiced and recognized \$3.9 million for its share of a funding deficit arising from the March 2006 actuarial valuation of the United Kingdom Merchant Navy Officers Pension Fund.

Marine Transportation Services -- Marine Transportation Services reported an operating loss in the third quarter of \$2.2 million on operating revenues of \$27.7 million compared to an operating loss of \$8.0 million on operating revenues of \$25.9 million in the preceding quarter.

Operating results in the third quarter were positively impacted by the return to service of a vessel which had recently undergone a retrofit to a double-hull configuration. The vessel was on-hire for the entire third quarter as compared to 23 days in the prior quarter.

Operating results in the third quarter were also affected by two vessels being off-hire for various periods. One of these vessels was off-hire for the entire quarter while undergoing a retrofit to a double-hull configuration and is expected to return to service in the fourth quarter. The other vessel was off-hire for 25 days in August 2007 while undergoing a regulatory docking.

Inland River Services -- Operating income in the third quarter was \$12.0 million on operating revenues of \$32.7 million compared to operating income of \$11.2 million on operating revenues of \$28.0 million in the preceding quarter. Third quarter results included \$1.6 million in gains on asset dispositions compared to \$2.6 million in gains in the preceding quarter.

The improvement in operating income before gains on asset dispositions was generally due to higher freight rates, partially offset by higher towboat repair and maintenance costs.

Aviation Services -- Operating income in the third quarter was \$13.5 million on operating revenues of \$62.4 million compared to operating income of \$5.1 million on operating revenues of \$55.9 million in the preceding quarter. Third quarter results included \$4.3 million in gains on asset dispositions compared to \$1.5 million in gains in the preceding quarter.

The improvement in operating income before gains on asset dispositions was primarily due to increased support of oil and gas activity and seasonal flightseeing in Alaska. Additionally, operating income improved due to better performance of the air medical group and hurricane related insurance recoveries.

Environmental Services -- Operating income in the third quarter was \$5.0 million on operating revenues of \$42.3 million compared to operating income of \$3.0 million on operating revenues of \$32.2 million in the preceding quarter.

The improvement in operating results was primarily due to increased response and project management activity and consulting services.

Derivatives -- Derivative gains were \$5.2 million in the third quarter compared to losses of \$0.3 million in the preceding quarter primarily as a result of foreign currency forward contracts.

Marketable Securities -- Marketable security gains were \$12.0 million in the third quarter compared to losses of \$9.4 million in the preceding quarter.

Equity in Earnings of 50% or Less Owned Companies -- Equity earnings from joint ventures were \$3.2 million in the third quarter compared to earnings of \$7.8 million in the preceding quarter. In the preceding quarter, the Company sold its Offshore Marine Services' joint venture in Egypt for a gain of \$4.1 million, net of tax.

Capital Commitments -- The Company's unfunded capital commitments as of September 30, 2007 consisted primarily of marine service vessels, harbor tugs, helicopters, barges and capital improvements to certain of its existing marine transportation fleet and totaled \$527.5 million, of which \$109.1 million is payable during the remainder of 2007 and the balance payable through 2010. Of these commitments, approximately \$122.6 million may be terminated without further liability other than the payment of liquidated damages of \$10.1 million in the aggregate. Subsequent to the end of the quarter, the Company committed to purchase additional property and equipment for \$6.2 million. As of September 30, 2007, the Company held balances of Cash, Cash Equivalents, Restricted Cash, Securities, Construction Reserve Funds and Title XI Reserve Funds totaling \$876.5 million.

SEACOR is a global provider of marine support and transportation service, primarily to the energy and chemical industries. SEACOR and its subsidiaries provide customers with a full suite of marine-related services including offshore services, U.S. coastwise shipping, inland river services, helicopter services, environmental services, and offshore and harbor towing services. SEACOR is uniquely focused on providing highly responsive local service, combined with the highest safety standards, innovative technology, modern efficient equipment, and dedicated, professional employees.

This release includes "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements concerning management's expectations, strategic objectives, business prospects, anticipated economic performance and financial condition and other similar matters involve known and unknown risks, uncertainties and other important factors that could cause the actual results, performance or achievements of results to differ materially from any future results, performance or achievements discussed or implied by such forward-looking statements. Such risks, uncertainties and other important factors include, among others: the cyclical nature of the oil and gas industry, activity in foreign countries and changes in foreign political, military and economic conditions, the dependence of Offshore Marine Services, Marine Transportation Services and Aviation Services on several customers, industry fleet capacity, consolidation of our customer base, the ongoing need to replace aging vessels, restrictions imposed by the Shipping Acts and Aviation Acts on the amount of foreign ownership of the Company's Common Stock, increased competition if the Jones Act is repealed, safety record requirements related to Offshore Marine Services and Aviation Services, changes in foreign and domestic oil and gas exploration and production activity, operational risks of Offshore Marine Services, Marine Transportation Services, Harbor and Offshore Towing Services and Aviation Services, effects of adverse weather conditions and seasonality on Aviation Services, decreased demand for Marine Transportation Services and Harbor and Offshore Towing Services due to construction of additional refined petroleum product, natural gas or crude oil pipelines or due to decreased demand for refined petroleum products, crude oil or chemical products or a change in existing methods of delivery, future phase-out of our single-hull tankers, dependence of spill response revenue on the number and size of spills and upon continuing government regulation in this area and our ability to comply with such regulation and other governmental regulation, changes in NRC's OSRO classification, liability in connection with providing spill response services, effects of adverse weather and river conditions and seasonality on Inland River Services, the level of grain export volume, the effect of fuel prices on barge towing costs, variability in freight rates for inland river barges, the effect of international economic and political factors in Inland River Service's operations, adequacy of insurance coverage, compliance with government regulation, including environmental laws and regulations, currency exchange fluctuations, the attraction and retention of qualified personnel by the Company and various other matters, many of which are beyond the Company's control and other factors. In addition, these statements constitute our cautionary statements under the Private Securities Litigation Reform Act of 1995. You should understand that it is not possible to predict or identify all such factors. Consequently, you should not consider the following to be a complete discussion of all potential risks or uncertainties. The words "estimate," "project," "intend," "believe," "plan" and similar expressions are intended to identify forward-looking statements. Forward-looking statements speak only as of the date of the document in which they are made. We disclaim any obligation or undertaking to provide any updates or revisions to any forward-looking statement to reflect any change in our expectations or any change in events, conditions or circumstances on which the forward-looking statement is based. The forward-looking statements in this release should be evaluated together with the many uncertainties that affect our businesses, particularly those mentioned under "Forward-Looking Statements" in Item 7 of our Form 10-K and SEACOR's periodic reporting on Form 10-Q and Form 8-K (if any), which we incorporate by reference.

For additional information, contact Timothy McKeand, Vice President, at (954) 627-6380 or visit SEACOR's website at www.seacorholdings.com.
