# Workhorse Group to Participate in the 35th Annual ROTH Conference from March 12-14, 2023

CINCINNATI, March 09, 2023 (GLOBE NEWSWIRE) -- [Workhorse Group Inc. \(Nasdaq: WKHS\)](#) (“Workhorse” or “the Company”), an American technology company with a vision to pioneer the transition to zero emission commercial vehicles, is scheduled to participate at the [35<sup>th</sup> Annual Roth Conference](#), which is being held from March 12-14, 2023 at The Ritz Carlton, Laguna Niguel located in Dana Point, California.

Workhorse management will be holding one-on-one meetings with institutional investors and analysts throughout the conference.

For additional information or to schedule a one-on-one meeting with Workhorse management, please contact your Roth representative or Workhorse’s investor relations team at [WKHS@gatewayir.com](mailto:WKHS@gatewayir.com).

## 35<sup>th</sup> Annual Roth Conference

The 35<sup>th</sup> Annual Roth Conference will consist of 1-on-1/small group meetings, company presentations, analyst-selected fireside chats, and thematic industry panels from approximately 400 private and public companies in a variety of growth sectors including: Business Services, Consumer/Health & Wellness, Healthcare, Resources: Oil & Gas/Metals & Mining, Technology, Media & AgTech and Sustainability/ESG.

## About Workhorse Group Inc.

Workhorse is a technology company focused on providing ground and air-based electric vehicles to the last-mile delivery sector. As an American original equipment manufacturer, we design and build high performance, battery-electric trucks and drones. Workhorse also develops cloud-based, real-time telematics performance monitoring systems that are fully integrated with our vehicles and enable fleet operators to optimize energy and route efficiency. All Workhorse vehicles are designed to make the movement of people and goods more efficient and less harmful to the environment. ## Forward-Looking Statements

The discussions in this press release contain forward-looking statements reflecting our current expectations that involve risks and uncertainties. These statements are made under the “safe harbor” provisions of the U.S. Private Securities Litigation Reform Act of 1995. When used in this press release, the words “anticipate,” “expect,” “plan,” “believe,” “seek,” “estimate” and similar expressions are intended to identify forward-looking statements. These are statements that relate to future periods and include, but are not limited to, statements about the features, benefits and performance of our products, our ability to introduce new product offerings and increase revenue from existing products, expected expenses including those related to selling and marketing, product development and general

and administrative, our beliefs regarding the health and growth of the market for our products, anticipated increase in our customer base, expansion of our products functionalities, expected revenue levels and sources of revenue, expected impact, if any, of legal proceedings, the adequacy of liquidity and capital resources, and expected growth in business. Forward-looking statements are statements that are not historical facts. Such forward-looking statements are subject to risks and uncertainties, which could cause actual results to differ materially from the forward-looking statements contained in this press release. Factors that could cause actual results to differ materially include, but are not limited to: our ability to develop and manufacture our new product portfolio, including the W4 CC, W750, W56 and WNext platforms; our ability to attract and retain customers for our existing and new products; risks associated with obtaining orders and executing upon such orders; supply chain disruptions, including constraints on steel, semiconductors and other material inputs and resulting cost increases impacting our company, our customers, our suppliers or the industry; our ability to capitalize on opportunities to deliver products to meet customer requirements; our limited operations and need to expand and enhance elements of our production process to fulfill product orders; the ability to protect our intellectual property; market acceptance for our products; our ability to control our expenses; potential competition, including without limitation shifts in technology; volatility in and deterioration of national and international capital markets and economic conditions; global and local business conditions; acts of war (including without limitation the conflict in Ukraine) and/or terrorism; the prices being charged by our competitors; our inability to retain key members of our management team; our inability to raise additional capital to fund our operations and business plan; our inability to maintain our listing of our securities on the Nasdaq Capital Market; our inability to satisfy our customer warranty claims; the outcome of any regulatory or legal proceedings; our liquidity and other risks and uncertainties and other factors discussed from time to time in our filings with the Securities and Exchange Commission ("SEC"), including our annual report on Form 10-K filed with the SEC. Forward-looking statements speak only as of the date hereof. We expressly disclaim any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in our expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based, except as required by law.
