AerSale Announces Additions To Executive Team

CORAL GABLES, Fla., May 17, 2016 /PRNewswire/ -- [AerSale](#)[®], a global supplier of aircraft, engine, and OEM (Original Equipment Manufacturer) used serviceable materials, announces two additions to its executive team as the company seeks further expansion in the aviation aftermarket industry. Vanessa Machado, who joined AerSale in 2014, has been promoted to Vice President of Human Resources. Mike Wilson joined AerSale in March 2016 as Vice President of Materials EMEA (Europe, Middle East, and Africa) in London.

"Both of these newly created positions are necessary to achieve the continued scaling of AerSale's international corporate oversight and marketing operations," said Nicolas Finazzo, Chief Executive Officer of AerSale. "In her relatively short tenure with AerSale, Vanessa has implemented key programs centered on the effective integration of recruiting, performance assessment, benefits, and payroll. In his new role, Mike will emphasize expansion of AerSale's local service offerings regarding MRO capabilities, regional AOG support, and flight hour-based aircraft and engine support programs."

Expanding on her role in human resources, Machado will oversee the company's rapid growth in professional, technical, and hourly labor headcount. Machado has a diverse international business background and over 20 years of experience in human resources and operations.

Wilson, with 35 years of relevant aviation experience, will oversee regional product offerings and service solutions in order to facilitate a broader marketing reach and enhanced materials support for the growing base of EMEA clientele.

AerSale is a global leader in the supply of commercial aircraft, engines, and OEM used serviceable materials. Major clients include passenger and cargo airline operators, leasing organizations, governmental entities, multinational OEMs, and independent MROs. In addition, AerSale offers asset management services to owners with end-of-life aircraft and engine portfolios. Headquartered in Coral Gables, Florida, AerSale has operations in the United States, Europe, and Asia.
