Cautionary Statement Regarding Forward Looking Statements

This press release contains forward-looking statements, including statements regarding the potential Offering, the expected closing date of the Offering and the Company's intended use of proceeds from the Offering, which are made pursuant to the Safe Harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are commonly identified by words such as "will be," "may," "expects," "believes," "plans" and "intends" and other terms with similar meaning. In particular, there can be no assurance that the Company will complete the Offering of the Notes. You are cautioned that the forward-looking statements in this press release are based on current beliefs, assumptions and expectations, speak only as of the date of this press release and involve risks and uncertainties that could cause actual results to differ materially from current expectations. Such statements are subject to certain known and unknown risks and uncertainties, many of which are difficult to predict and generally beyond the Company's control, that could cause actual results and other future events to differ materially from those expressed in, or implied or projected by, the forward-looking information and statements. Material factors that could cause actual results to differ materially from current expectations include, without limitation, market conditions and the risk factors detailed in the preliminary prospectus supplement and the accompanying base prospectus for the Offering, which are both a part of the Registration Statement, the Company's Quarterly Report on Form 10-Q for the quarter ended March 26, 2022 and those risk factors set forth from time to time in the Company's other filings with the SEC. For the reasons discussed above, you should not place undue reliance on the forward-looking statements in this press release. The Company undertakes no obligation to update the forward-looking statements set forth in this press release, whether as a result of new information, future events or otherwise, unless required by applicable securities laws.
