Our strong operating performance has been driven by our ability to source and close high quality investment opportunities in the underserved lower middle market."

Dividend Information

Triangle's board of directors has declared a cash dividend of \$0.26 per share for the second quarter of 2007. The dividend will be payable as follows:

Record Date:	August 30, 2007
Payment Date:	September 27, 2007

Commenting on the Company's dividend, Chief Financial Officer, Steven C. Lilly stated, "Our second quarter dividend of \$0.26 per share equates to an annualized dividend yield of 8.0% based on today's closing price. We are pleased to have achieved such an attractive dividend yield in our first full quarter of operation as a publicly traded company."

Triangle has adopted a dividend reinvestment plan ("DRIP") that provides for reinvestment of dividends on behalf of its shareholders, unless a shareholder elects to receive cash. As a result, when the Company declares a cash dividend, shareholders who have not opted out of the DRIP will have their cash dividends automatically reinvested in additional shares of the Company's common stock, rather than receiving cash dividends.
