Arbe to Present at 37th Annual Roth Conference

TEL AVIV, Israel, March 3, 2025 /PRNewswire/ -- [Arbe Robotics](#) Ltd. (NASDAQ: ARBE) (TASE: ARBE), a global leader in perception radar solutions, today announced that Kobi Marenko, Chief Executive Officer will participate in a fireside chat at the 37th Annual Roth Conference on Monday, March 17, 2025 in Dana Point, CA.

The fireside chat, moderated by Suji Desilva, Roth Senior Research Analyst, is scheduled for 10:00 am PDT on Monday, March 17 and will be webcast from Arbe's Investor Relations website: <https://ir.arberobotics.com/news/ir-calendar>. Investors who wish to schedule a meeting with Arbe's management during the conference should contact their Roth representative.

About Arbe

Arbe (NASDAQ: ARBE), a global leader in perception radar solutions, is spearheading a radar revolution, enabling safe driver-assist systems today while paving the way to full autonomous-driving. Arbe's radar technology is 100 times more detailed than any other radar on the market and is a critical sensor for L2+ and higher autonomy. The company is

empowering automakers, Tier 1 suppliers, autonomous ground vehicles, commercial and industrial vehicles and a wide array of safety applications with advanced sensing and paradigm changing perception. Arbe, a leader in the fast-growing automotive radar market, is based in Tel Aviv, Israel, and has offices in China, Germany and the United States.

Cautionary Note Regarding Forward-Looking Statements

This press release contains, and the presentations and meetings described in this press release will contain, "forward-looking statements" within the meaning of the Securities Act of 1933 and the Securities Exchange Act of 1934, both as amended by the Private Securities Litigation Reform Act of 1995. The words "expect," "believe," "estimate," "intend," "plan," "anticipate," "may," "should," "strategy," "future," "will," "project," "potential" and similar expressions indicate forward-looking statements. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to risks and uncertainties. These risks and uncertainties include, but not limited to Arbe's perception radar performing as anticipated by Arbe, any demonstration of Arbe's perception radar being met in actual traffic conditions; market acceptance of Arbe's perception radar, Arbe meeting the conditions to the release of the net proceeds of its recent convertible note offering from escrow and meeting the covenants, the effect on the Israeli economy generally and on Arbe's business resulting from the terrorism and the hostilities in Israel and with its neighboring countries including the effects of the continuing war with Hamas and any further intensification of hostilities with others, including Iran and Hezbollah, and the effect of the call-up of a significant portion of Israel's working population, including Arbe's employees; the effect of any potential boycott both of Israeli products and business and of stocks in Israeli companies; the effect of any downgrading of the Israeli economy and the effect of changes in the exchange rate between the US dollar and the Israeli shekel; and the risk and uncertainties described in "Cautionary Note Regarding Forward-Looking Statements," "Item 3. Key Information – D. Risk Factors" and "Item 5. Operating and Financial Review and Prospects" and in the Company's Annual Report on Form 20-F for the year ended December 31, 2023, which was filed with the Securities and Exchange Commission (the "SEC") on March 28, 2024, as well as other documents filed by the Company with the SEC. Accordingly, you are cautioned not to place undue reliance on these forward-looking statements. Forward-looking statements relate only to the date they were made, and the Company does not undertake any obligation to update forward-looking statements to reflect events or circumstances after the date they were made except as required by law or applicable regulation.

Information contained on, or that can be accessed through, Arbe's website or any other website or any social media is expressly not incorporated by reference into and is not a part of this press release.
