# Inpixon Announces Technology Refresh Deal With Leading Beverage Distributor

*Contract worth over \$750K spanning Q2 and Q3 will upgrade customer's existing infrastructure*

PALO ALTO, Calif.--(BUSINESS WIRE)-- [Inpixon](#) (NASDAQ: INPX), an indoor positioning and data analytics company, today announced a major infrastructure refresh deal with a worldwide beverage distributor. The contract, worth over \$750,000, involves significant server upgrades designed to improve the beverage distributor's data processing, management capabilities, and operations.

Inpixon's virtualization and network specialists ensure these new servers deliver the right balance of performance, storage, reliability, manageability and efficiency to meet the customer's evolving needs. Equipped with a highly resilient dual data center featuring HPE and VMware products, the latest servers tie both computer environments together. The infrastructure refresh deal, signed in late Q2, will be completed by the end of Q3.

"We are thrilled to finalize this technology refresh deal with one of the world's preeminent beverage distributors and a long-time customer," said Inpixon CEO, Nadir Ali. "Our engineers have designed a solution that will save money and resources, as well as increase operational efficiencies across our customer's data center for years to come."
