As [previously disclosed](#), Inpixon's board of directors has set December 27, 2023 as the record date for determining the holders of Inpixon's outstanding capital stock and certain

other securities ("Record Date Securityholders") entitled to the distribution of all the outstanding shares of Grafiti Holding Inc. owned by Inpixon ("Spin-off Shares") in connection with its [previously announced](#) spinoff.

Factors that May Affect the Distribution and Spin-off

The distribution of the Spin-off Shares to the Record Date Securityholders is conditioned upon the effectiveness of the Registration Statement. In addition, the Business Combination is subject to the satisfaction or waiver of certain closing conditions, including approval of the Business Combination by Damon securityholders, approval by the Supreme Court of British Columbia, and a Plan of Arrangement for purposes of compliance with the exemption from registration provided by Section 3(a)(10) under the Securities Act of 1933, as amended, in connection with the issuance by Grafiti of the merger consideration to Damon securityholders, as well as approval by Nasdaq to list the shares of the combined company. No assurance can be provided as to the timing of the completion of the distribution and the Business Combination or that all conditions to the Spin-off or the Business Combination will be satisfied. Inpixon expects that there will be no public trading market for the shares of Grafiti until or unless the Business Combination is consummated.

Inpixon may elect to change the Record Date for the Spin-off to a later date or to not proceed with the distribution.
