Newcastle Announces Closing of Public Offering of Common Stock

NEW YORK--(BUSINESS WIRE)-- Newcastle Investment Corp. (NYSE: NCT) (the "Company") announced today that it has completed the sale of 16,500,000 shares of its common stock at a price of \$6.22 per share. The gross proceeds of the sale were approximately \$102.6 million. All of the shares were offered by the Company and were issued under the Company's existing effective shelf registration statement, previously filed with the Securities and Exchange Commission. In connection with the offering, the Company has granted the underwriters an option for 30 days to purchase up to an additional 2,475,000 shares of common stock.

The Company intends to use the net proceeds from this offering to make investments in excess mortgage servicing rights and for other general corporate purposes, which may include, but not be limited to, the repurchase of indebtedness issued by its collateralized debt obligations, as well as investments in real estate securities and/or other real estate related assets.

Credit Suisse Securities (USA) LLC and Citigroup served as the joint book-running managers for the offering.

This press release does not constitute an offer to sell or the solicitation of an offer to buy shares of common stock, nor shall there be any sale of these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

FORWARD-LOOKING STATEMENTS

Certain statements in this press release may constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including, but not limited to, statements relating to the offering and intended use of proceeds. These statements are based on management's current expectations and beliefs and are subject to a number of trends and uncertainties that could cause actual results to differ materially from those described in the forward-looking statements, many of which are beyond our control. The Company can give no assurance that its expectations will be attained. Factors that could cause actual results to differ materially from the Company's expectations include, but are not limited to, the risk that loan prepayment, recapture and delinquency rates differ from our

current assumptions; the risk that we are not able to find additional suitably priced investments; and the risk that investments made or committed to be made cannot be financed on the basis and for the term at which we expect. Accordingly, you should not place undue reliance on any forward-looking statements contained in this press release. For a discussion of some of the risks and important factors that could affect such forward-looking statements, see the sections entitled "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operation" in the Company's Annual Report on Form 10-K, as filed with the Securities and Exchange Commission. In addition, new risks and uncertainties emerge from time to time, and it is not possible for the Company to predict or assess the impact of every factor that may cause its actual results to differ from those contained in any forward-looking statements. Such forward-looking statements speak only as of the date of this press release. The Company expressly disclaims any obligation to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations with regard thereto or change in events, conditions or circumstances on which any statement is based.
