KORE and Position Logic to Share Insight in Webinar on GPS Tracking in Oil, Gas and Energy

GPS Tracking Expert Joins Panel to Discuss the Future of the Industry in Oil, Gas and Energy

ALPHARETTA, Ga.--(BUSINESS WIRE)-- [KORE](#), the world's largest managed wireless network services provider specializing in the Internet-of-Things (IoT) and machine-to-machine (M2M) communications, today announced that GPS Tracking Expert Herman Rivas from Position Logic and special guest James Wheeler, founder and CEO of ArgoTrak, will participate in a webinar to share insights on the future of GPS tracking in the oil, gas and energy verticals.

In the "Grow Your Business Webinar: The Future of GPS Tracking in Oil, Gas and Energy" webinar, Rivas and his fellow panelists will discuss how the oil, gas and energy sectors are rapidly changing. From new technologies to supply concerns, there is an urgency to respond quickly to the changing market condition. In addition, the panelists will discuss how to leverage the Position Logic platform to expand industry operations, as well as growth opportunities in a variety of verticals using one platform.

About KORE

KORE provides the connectivity and services that make the Internet of Things possible. Founded in 2003, KORE is the world's largest managed network services provider specializing in Internet of Things (IoT) and Machine to Machine (M2M) markets. KORE provides the critical wireless connectivity empowering application, hardware and wireless operator partners to rapidly bring new IoT and M2M innovations to market, with millions of active on-network units in more than 180 countries. KORE delivers choice, reliability and global native coverage through multi-carrier and Tier 1 carrier cellular and satellite network services – including LTE, GSM and CDMA - as well as advanced applications to easily manage IoT connected devices. KORE [Position Logic](#) software provides seamless location-based services (LBS) for businesses. KORE's recent acquisition of Wyles makes the

company one of the six largest providers of M2M/IoT services globally, inclusive of carriers. For more information, visit www.koretelematics.com, read the KORE [blog](#) and connect with KORE on [LinkedIn](#), [Google+](#), [Facebook](#), [Twitter](#), [YouTube](#) and [Vimeo](#).
