Concentra Expands to Knoxville, Tennessee

ADDISON, Texas--(BUSINESS WIRE)-- Concentra®, the nation's leader in occupational medicine, today announced the opening of a new medical center in Knoxville, Tennessee. The medical center, Concentra Knoxville West, is conveniently located at 104 North Seven Oaks Drive, Knoxville, Tennessee 37922.

"As Concentra continues to expand in East Tennessee, we're excited for the opportunity to serve our community," said Janet Cobb, MD, senior vice president of Concentra medical operations. "Adding more medical centers in the greater Knoxville area will enable us to serve more employers and their employees."

Concentra will provide work injury care, physical therapy, drug testing, DOT physical exams, pre-placement exams, and other employer-related health services from its new location in Knoxville. Telemedicine for minor work injuries will also be available via Concentra Telemed®, Concentra's proprietary telemedicine platform.

Concentra has long been known as the premier provider of occupational health and urgent care services delivered through an extensive network of nearly 550 locations nationwide. This expansion strengthens Concentra's growing presence in Tennessee and enables the company to more effectively meet the demand for comprehensive occupational health services in the region. Concentra offers quality, efficient medical care to meet the needs of employers and their employees at convenient times and locations.
