- **The OM Management corporate office location** will become a satellite office for Concentra's CMCA group.

"This acquisition will make it easier for employers in the Miami area to utilize Concentra services," said Janet Cobb, MD, senior vice president of Concentra medical operations. "We're excited to expand in Miami and look forward to building relationships with more Miami employers."

Concentra will provide work injury care, physical therapy, drug testing, DOT physical exams, pre-placement exams, and other employer-related health services from its new locations in Miami. Telemedicine for minor work injuries will also be available via Concentra Telemed®, Concentra's proprietary telemedicine platform.

Concentra has long been known as the premier provider of occupational health and urgent care services delivered through an extensive network of 620 locations nationwide. This expansion strengthens Concentra's growing presence in Illinois and enables the company to more effectively meet the demand for comprehensive occupational health services in the region. Concentra offers quality, efficient medical care to meet the needs of employers and their employees at convenient times and locations.
