Concentra Expands to Katy, Texas

ADDISON, Texas--(BUSINESS WIRE)-- Concentra®, the nation's leader in occupational medicine, today announced the opening of a new medical center in Katy, Texas. The medical center, Concentra Katy, is conveniently located at 25805 Katy Freeway, Suite 600, Katy, Texas 77494.

"Expansion to Katy has been requested by our customers for a long time," said Robert Hassett, DO, MPH, senior vice president of Concentra medical operations. "We're excited to finally bring Concentra to Katy and serve our customers in the area."

Concentra will provide work injury care, physical therapy, drug testing, DOT physical exams, pre-placement exams, and other employer-related health services from its new location in Katy. Telemedicine for minor work injuries will also be available via Concentra Telemed®, Concentra's proprietary telemedicine platform.

Concentra has long been known as the premier provider of occupational health and urgent care services delivered through an extensive network of 620 locations nationwide. This expansion strengthens Concentra's growing presence in Texas and enables the company to more effectively meet the demand for comprehensive occupational health services in the region. Concentra offers quality, efficient medical care to meet the needs of employers and their employees at convenient times and locations. About Concentra

Concentra is the largest provider of occupational health services in the United States by number of locations, with the mission of improving the health of America's workforce, one patient at a time. Our approximately 11,000 colleagues and affiliated physicians and clinicians support the delivery of an extensive suite of services, including occupational and consumer health services and other direct-to-employer care. We support the care of approximately 50,000 patients each day on average across 45 states at our more than 620 occupational health centers, 160 onsite health clinics at employer worksites, and Concentra Telemed as of March 20, 2024. www.Concentra.com
