# Ring Energy, Inc. Announces Public Common Stock Offering of 5,000,000 Shares

MIDLAND, Texas--(BUSINESS WIRE)-- Ring Energy, Inc. (NYSE MKT: REI) (the "Company") announced today that it plans to offer 5,000,000 shares of its common stock in an underwritten public offering. The underwriters have an option to purchase up to an additional 750,000 shares from the Company. SunTrust Robinson Humphrey, Inc., is acting as sole book-running manager for this offering.

The Company intends to use the net proceeds from the offering to fund drilling and development of its properties, to pay for additional leases of oil and gas properties, to pay down borrowings under its credit facility, and to pay for acquisitions of oil and gas properties in and around existing properties.

The offering is being made pursuant to a registration statement on Form S-1, and any amendments thereto, filed with the Securities and Exchange Commission. A copy of the preliminary prospectus for the offering may be obtained from the SEC's website at [www.sec.gov](http://www.sec.gov). In addition, a copy of the preliminary prospectus for the offering may be obtained from SunTrust Robinson Humphrey, Inc., at STRH Prospectus Department, 3333 Peachtree Rd., NE, Atlanta, GA 30326, or may be requested by telephone at 404-926-5744 or by e-mail at [STRH.Prospectus@SunTrust.com](mailto:STRH.Prospectus@SunTrust.com).

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of, these securities in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or jurisdiction. Any offering of the shares of common stock will be made only by means of a prospectus.

## Safe Harbor Statement

This release contains forward-looking statements within the meaning of the "safe-harbor" provisions of the Private Securities Litigation Reform Act of 1995 that involve a wide variety of risks and uncertainties, including, without limitations, statements with respect to the Company's strategy and prospects. Such statements are subject to certain risks and

uncertainties which are disclosed in the Company's reports filed with the SEC, including its Form 10-K for the fiscal year ended December 31, 2012, its Form 10-Q for the quarter ended June 30, 2013 and its other filings with the SEC. Readers and investors are cautioned that the Company's actual results may differ materially from those described in the forward-looking statements due to a number of factors, including, but not limited to, the Company's ability to acquire productive oil and/or gas properties or to successfully drill and complete oil and/or gas wells on such properties, general economic conditions both domestically and abroad, and the conduct of business by the Company, and other factors that may be more fully described in additional documents set forth by the Company.
