Avalon GloboCare to Present at Biotech Showcase™ 2020

FREEHOLD, N.J., Jan. 06, 2020 (GLOBE NEWSWIRE) -- Avalon GloboCare Corp. (NASDAQ: AVCO), a clinical-stage global developer of cell-based technologies and therapeutics, today announced its Chief Executive Officer, Dr. David Jin, will present at the Biotech Showcase™ 2020 conference being held January 13-15, 2020 at the Hilton San Francisco Union Square in San Francisco, California.

Details of the presentation are as follows:

Event: Biotech Showcase™ 2020
Date: Monday, January 13, 2020
Time: 11:00 a.m. (PST)
Track: Yosemite C (Ballroom Level)
Location: Hilton San Francisco Union Square

Avalon will also host one-on-one meetings with investors and industry stakeholders during the event. Registered Biotech Showcase™ 2020 attendees may request one-on-one meetings with Avalon through the online partneringONE® system or by emailing avco@crescendo-ir.com.

Biotech Showcase™ is one of the industry's largest annual healthcare investor and partnering conferences, bringing together biopharmaceutical and life sciences company executives, investors, sector analysts, bankers and industry stakeholders. More than 400 presentations from mid-, small- and micro-cap public and private companies are expected to present at the event. Qualified investors and buy- and sell-side analysts are invited to request a complimentary registration to attend Biotech Showcase™ and its sister event, Digital Medicine & Medtech Showcase. Forward-Looking Statements

Certain statements contained in this press release may constitute "forward-looking statements." Forward-looking statements provide current expectations of future events based on certain assumptions and include any statement that does not directly relate to any historical or current fact. Actual results may differ materially from those indicated by such forward-looking statements as a result of various important factors as disclosed in our filings with the Securities and Exchange Commission located at their website (<http://www.sec.gov>). In addition to these factors, actual future performance, outcomes, and results may differ materially because of more general factors including (without limitation) general industry and market conditions and growth rates, economic conditions, and governmental and public policy changes. The forward-looking statements included in this press release represent the Company's views as of the date of this press release and these views could change. However, while the Company may elect to update these forward-looking statements at some point in the future, the Company specifically disclaims any obligation to do so. These forward-looking statements should not be relied upon as representing the Company's views as of any date subsequent to the date of the press release.
