About Edison Nation Holdings, LLC

Since 2008, Edison Nation has been the go-to resource for independent innovators with great consumer product invention ideas. The company is the only innovation partner with multiple commercialization channels to bring new product ideas – from sketches, to proof of concept prototypes and late-stage inventions – to consumers worldwide. The community platform has generated hundreds of millions at retail. The company is committed to bringing new consumer innovation to market through its secure and proprietary platform found at www.EdisonNation.com.

Safe Harbor

This press release contains forward-looking statements that involve substantial risks and uncertainties. All statements, other than statements of historical facts, included in this press release regarding strategy, future operations and plans, including assumptions underlying such statements, are forward-looking statements, and should not be relied upon as representing the Company's views as of any subsequent date. Such forward-looking statements are based on information available to the Company as of the date of this release and involve a number of risks and uncertainties, some beyond the Company's control, that could cause actual results to differ materially from those anticipated by these forward-looking statements, including consumer, regulatory and other factors affecting demand for the Company's products, any difficulty in marketing the Company's products in global markets, competition in the market for consumer products, any inability to raise capital to fund operations and service the Company's debt. Additional information that could lead to material changes in the Company's performance is contained in its filings with the SEC. The Company is under no obligation to, and expressly disclaims any responsibility to, update or alter forward-looking statements contained in this release, whether as a result of new information, future events or otherwise.
