The AVR Lab Places Follow-On Order for Vuzix Smart Glasses

- Vuzix, The AVR Lab and TeamViewer will host a webinar on November 9 to discuss augmented reality market opportunities and provide a cross platform solution demo

ROCHESTER, N.Y., Nov. 2, 2021 /PRNewswire/ --[Vuzix® Corporation](#) (NASDAQ: [VUZI](#)), ("Vuzix" or, the "Company"), a leading supplier of Smart Glasses and Augmented Reality (AR) technology and products, today announced that The AVR Lab, a distributor of Vuzix smart glasses products to the Australian and New Zealand markets, has continued to place follow-on orders for Vuzix Smart Glasses. Customer use cases to date have included on-site inspection and maintenance, work instructions and remote technical support and on-the-job training.

"We are excited to continue working with a company like Vuzix that delivers such innovative and important products to the world," said Danny Gambaro, Director of The AVR Lab.

"Supplying Vuzix Smart Glasses to the Australian and New Zealand markets reflects our desire to collaborate with companies that share our vision of 'helping businesses become better businesses', using technology that helps transform our clients' businesses and keeps them safe."

"We are pleased to receive a follow-on order from The AVR Lab as they address the wealth of usage opportunities that exist in the Australian and New Zealand markets," said Paul

Travers, President and CEO of Vuzix. "We look forward to their continued success in these regions."

Vuzix, The AVR Lab and TeamViewer will be hosting a webinar titled "Augmented Reality: The New Standard in Operational Productivity". Interested parties that would like to learn more can register for this webinar via the link below.
