Galaxy Gaming Approved by Key Maryland State Agency

LAS VEGAS, March 26, 2013 (GLOBE NEWSWIRE) -- Galaxy Gaming, Inc. (GLXZ), announced today it has received approval from the Maryland Lottery and Gaming Control Agency to provide its products to casinos in the state. The Las Vegas-based company is the world's second-largest developer, manufacturer and distributor of cutting-edge products for the casino industry, including casino table games, enhanced game systems and e-Tables.

Products likely to be introduced into Maryland include popular casino games *Lucky Ladies*, *Texas Shootout*, *Emperor's Challenge*, *Deuces Wild*, *21+3*, *Bonus Craps* and *High Card Flush*, which was voted Casino Journal's Best New Table Game of 2012. In addition, Galaxy intends to offer the Company's innovative and enhanced electronic wagering platforms and systems including *Bonus Jackpot System*, *Inter-Casino Jackpot System* and *MEGA-Share System*.

"Recent legislation now allows live table games in Maryland, which makes this a very attractive market for us," stated Dean Barnett, Regional Sales Manager for Galaxy. "This is a rapidly growing market with 12 casinos now operational or planned."

Penn National Gaming (PENN) operates the Hollywood Casino in Perryville and is the first Maryland casino to include Galaxy's products. "Hollywood Casino Perryville was excited to bring table games to Maryland and was pleased to work with Galaxy Gaming during the process," said Penn's Bill Hayles, General Manager for Hollywood Casino.

"Fresh on the heels of our recent Louisiana approvals, we are equally pleased to announce our Company's approval in Maryland," said Robert Saucier, Galaxy Gaming's CEO.

"Maryland is a solid market and our expansion into the state solidifies our presence in the growing Atlantic Coast gaming industry and will contribute to our increasing global recurring revenue base. Together with Louisiana, we are presented with new opportunities for our Company to further grow domestically, particularly as more and more governments discover the benefits of authorizing gaming in their respective jurisdictions. I want to thank the gaming regulatory officials in Maryland for their efficiency in approving our application."
