Galaxy Gaming Leadership to Present at Marcum LLP MicroCap Conference in New York

Las Vegas Gaming Leader to Meet With Accredited, Institutional Investors

LAS VEGAS, May 24, 2013 (GLOBE NEWSWIRE) -- Galaxy Gaming, Inc. (OTC:GLXZ), announced that it will participate in the Second Annual Marcum LLP MicroCap Conference next week in New York City.

"Marcum is a reputable conference which draws an extensive and impressive range of savvy and well-informed investors and money managers. We are excited about letting them know that Galaxy Gaming is an established winner," said the Company's CEO, Robert B. Saucier. "We are now a nationwide name and global brand that is delivering for our current investors, and we are spreading the word about what our successful and unique business is all about."

Las Vegas-based Galaxy Gaming is the world's second-largest developer, manufacturer and distributor of cutting-edge products for the casino industry, including casino table games, enhanced game systems and e-Tables. The Company's very successful *High Card Flush* was voted Best New Table Game of 2012 by *Casino Journal*.

"Building on the momentum of our best ever first quarter, Galaxy Gaming is ready to take the next step," said Gary A. Vecchiarelli, the Company's CFO. "This conference – in the heart of America's financial district – is an ideal location for us to connect with the right institutional investors and execute the next stage of our Investor Visibility Plan."

The Marcum MicroCap Conference – which will be held May 30th at the Grand Hyatt in New York City – introduces investors, directors, bankers and money managers to the best undiscovered companies with a market capitalization under \$500 million. The invitation-only conference is expected to draw more than 1,000 attendees from over 100 presenting companies.

"We are achieving consistent growth and executing effective strategies when many in our industry simply can't compete," said Saucier. "Galaxy Gaming is exactly what retail investors look for in companies our size."
