Todd Cravens Joins Galaxy Gaming to Lead its Business Development

LAS VEGAS, Jan. 03, 2017 (GLOBE NEWSWIRE) -- Galaxy Gaming, Inc. (OTC:GLXZ), the world's largest independent developer, manufacturer and distributor of casino table games and enhanced casino systems, announced today that Mr. Todd Cravens has joined the Company in the position of Vice President of Business Development. In that capacity, Mr. Cravens is responsible for expanding the Company's business both domestically and in foreign markets. The areas of growth targeted not only includes escalating Galaxy's core business, but Mr. Cravens will be guiding the Company to provide new cutting-edge products and services designed to enhance the business operations of Galaxy's casino clients.

Mr. Cravens was most recently the CEO of the Americas for TCS John Huxley for the last three and a half years. With over 25 years of experience in the amusement and gaming industries, including executive positions at American Gaming Systems (AGS) and Betson Enterprises, Mr. Cravens is well respected in the gaming industry for his team-building skills.

"Speaking for the entire Galaxy team, we are delighted to have Todd come on board," stated Galaxy's Chief Executive Officer, Robert Saucier. "Todd's skills and experience is ideally suited to the duties, responsibilities and authorities associated with the newly created position of VP of Business Development. In recent years, we had become aware of his solid reputation amongst casino operators for his listening skills and responding to their needs and desires. I have long ago discovered that the best way to judge someone is to talk to the people they serve. With that in mind and through inquiries we made with casino operators, we were compelled to add Todd to Galaxy's Leadership Team. We are extremely fortunate to have someone with Todd's impressive credentials, expertise and enthusiasm and we look forward to his future contributions," added Mr. Saucier.

"I am very excited to join Galaxy Gaming," commented Mr. Cravens. "One of the main reasons that I chose Galaxy is their outstanding reputation amongst casino operators. It became clear to me that this company has become a major player in the casino industry. Galaxy provides great solutions for casinos that I witnessed are very much appreciated. In my new role at Galaxy, my goal is to create even more value for our clients."

About Galaxy Gaming

Headquartered in Las Vegas, Nevada, Galaxy Gaming (galaxygaming.com) develops, manufactures and distributes innovative proprietary table games, state-of-the-art electronic wagering platforms and enhanced bonusing systems to land-based, riverboat, cruise ships and online casinos worldwide.
