Bringing Hasbro's Iconic Games to the Table Game Pit

Galaxy Gaming has entered into an agreement with Hasbro to be its exclusive table games licensee, entitling Galaxy to bring two of the most iconic brands in gaming history—MONOPOLY and YAHTZEE—to life in the casino table games pit. These legendary titles have been transformed into thrilling new table game experiences, offering players a fresh way to engage with the classic gameplay they know and love. Players will instantly recognize the signature elements of each game, now enhanced with engaging graphics and progressive features designed to engage and attract both seasoned players and newcomers.

With MONOPOLY's global brand recognition and YAHTZEE's fast-paced, dice-driven excitement, these new offerings promise to energize the pit with dynamic play, eye-catching design, and a powerful dose of nostalgia. Stop by the booth to be among the first to experience these groundbreaking games in action.

Lighting Up the Casino Pit

Galaxy Gaming is redefining the visual landscape of the table games pit with the debut of its new LED merchandising displays—making their first appearance on the MONOPOLY table games. Designed to rival the spectacle of the slot floor, these displays bring vibrant energy and elevated branding to the pit, creating a more immersive and engaging player experience.
