## Redwood Trust Declares \$0.25 Per Share Dividend for the First Quarter of 2010

MILL VALLEY, Calif., March 17 /PRNewswire-FirstCall/ -- Redwood Trust, Inc. (NYSE: RWT) today announced that its Board of Directors authorized the declaration of a first quarter regular dividend of \$0.25 per share. The first quarter 2010 dividend is payable on April 21, 2010 to stockholders of record on March 31, 2010.

"Our cash flows for 2010 after operating and interest expense are expected to be more than sufficient to continue this quarterly dividend through 2010," said George E. Bull, Redwood's Chairman and CEO. "Because we currently do not expect to generate sufficient taxable income in 2010 to offset our net operating loss carry-forward, we expect that this year's dividends will take the form of non-taxable returns of capital," Mr. Bull added.

Redwood also announced that its Board of Directors has set May 18, 2010 as the date for the annual meeting of stockholders. The meeting will be held at 10:30 a.m. in Mill Valley, California. Stockholders of record as of March 31, 2010 will be entitled to vote at that meeting.
