To receive additional information, request an invitation or to schedule a one-on-one meeting, please email [Angie.Goertz@IssuerDirect.com](mailto:Angie.Goertz@IssuerDirect.com).

### **About the MicroCap Rodeo Best Ideas Bowl**

The MicroCap Rodeo is back with its first ever "Best Ideas Bowl." This conference is a virtual conference that brings you the top 25 best ideas from the buy side. Qualified institutional investors recommended each of the 25 companies represented as one of their best ideas. For more information please visit our website: <https://microcaprodeo.com/>.

### **About Medexus**

Medexus is a leading specialty pharmaceutical company with a strong North American commercial platform. The Company's vision is to provide the best healthcare products to healthcare professionals and patients, through our core values of Quality, Innovation, Customer Service and Teamwork. Medexus Pharmaceuticals is focused on the therapeutic areas of auto-immune disease, hematology and allergy. The Company's leading products are: Rasuvo™ and Metoject®, a unique formulation of methotrexate (auto-pen and pre-filled syringe) designed to treat rheumatoid arthritis and other auto-immune diseases; IXINITY®, an intravenous recombinant factor IX therapeutic for use in patients 12 years of age or older with Hemophilia B - a hereditary bleeding disorder characterized by a deficiency of clotting factor IX in the blood, which is necessary to control bleeding; and Rupall®, an innovative allergy medication with a unique mode of action.
