Twin Vee PowerCats Co. Announces Aquasport Has Begun Shipping Boats from the White Bluff, Tennessee Factory

FORT PIERCE, FL / ACCESSWIRE / October 16, 2023/ Twin Vee PowerCats, Co. (Nasdaq:VEEE), ("Twin Vee" or the "Company"), a manufacturer, distributor, and marketer of power sport boats, today announced that its subsidiary, AquaSport Co., is now shipping boats from its factory in White Bluff, Tennessee. AquaSport currently builds seven different models at its 150,000-square-foot manufacturing facility in Tennessee, ranging from 21-feet to 30-feet.

"We are thrilled to announce that boats constructed at our leased factory in Tennessee are now reaching new Aquasport owners across the country," stated Joseph Visconti, President and CEO of Twin Vee PowerCats Co. "The Aquasport brand is synonymous with excellence in the boating industry, and we are proud to continue that legacy by providing our customers with products that offer a variety of amenities for a fun and unforgettable day on the water."

Twin Vee PowerCats Co. announced in May 2023 that it entered into an agreement to lease with the right to acquire the Aquasport boat brand and a production facility on 18.5 acres in White Bluff, Tennessee. In June, the Company took possession of the property and initiated a comprehensive recruitment drive to assemble a skilled and dedicated workforce to restart production. "Our new Tennessee staff are committed to building on Aquasport's tremendous

reputation for quality and reliability, and that drive can be seen in the incredible boats they've been making," explained Visconti.

The Company envisions an exciting future for Aquasport as its manufacturing facility continues to ramp up production. "Aquasport has been a trailblazer since its inception in the 1960s, redefining recreational sport boats for decades," said Visconti. "We want to expand on that success by developing innovative products designed to meet the evolving needs of our customers, whether they are fishing enthusiasts, adventure seekers, or families looking for memorable experiences on the water."
