Upexi Implements Re:Amaze Artificial Intelligence (AI) Tool to Enhance Online Experience for its Customers

CLEARWATER, FL / ACCESSWIRE / July 27, 2023 / [Upexi Inc.](#) (NASDAQ:UPXI) (the "Company" or "Upexi"), a multi-faceted Amazon and Direct-to-Consumer brand owner and innovator in aggregation, today announced the integration of a state-of-the-art artificial intelligence (AI) tool from [Re:amaze](#), a Go Daddy Brand, into its customer support system. This strategic move aims to enhance the overall online customer experience across all brands and provide seamless, efficient, and personalized assistance to its valued customers.

The adoption of Re:amaze's AI tool marks another milestone for Upexi as it reinforces the Company's commitment to staying at the forefront of technological advancements and delivering unparalleled customer service. By leveraging the power of artificial intelligence, Upexi is poised to streamline customer interactions, reduce response times, lower costs, and offer round-the-clock support for its portfolio of brands.

Key benefits of Upexi's implementation of Re:amaze's AI tool include:

- **Smart Automation:** The AI tool automates routine queries and tasks, enabling Upexi's support agents to focus on complex issues that require human intervention. This streamlines the support process, leading to faster resolutions and increased customer satisfaction.
- **Personalized Assistance:** With advanced natural language processing capabilities, the AI tool can understand and respond to customer queries with a high level of personalization, making customers feel valued and understood.
- **Seamless Multi-Channel Support:** Re:amaze's AI tool enables Upexi to provide consistent support across various communication channels, such as email, live chat, and social media. Customers can reach out through their preferred platforms, ensuring a smooth and frictionless experience.
- **24/7 Availability:** Upexi's customers can now access support services around the clock, even during weekends and holidays, thanks to the AI tool's ability to handle inquiries at any time.

Allan Marshall, CEO of Upexi, stated, "We are thrilled to integrate Re:amaze's AI tool into our customer support system. This move aligns perfectly with our customer-centric approach and dedication to providing top-notch service. By leveraging this advanced technology, we are confident in our ability to exceed customer expectations and build stronger, more lasting relationships with our customers. Over time, as we implement this technology, we will believe we will also drive higher basket sizes, more profitable consumer conversions and higher margins. We remain dedicated to continuously enhancing our online services, and the AI tool from Re:amaze is a testament to that vision."

About Upexi, Inc.:

Upexi is a multifaceted brand owner with established brands in the health, wellness, pet, beauty and other growing markets. We operate in emerging industries with high growth trends and look to drive organic growth of our current brands. We focus on direct to consumer and Amazon brands that are scalable and have anticipated, high industry growth trends. Our goal is to continue to accumulate consumer data and build out a significant customer database across all industries we sell into. The growth of our current database has been key to the year over year gains in sales and profits. To drive additional growth, we have and will continue to acquire profitable Amazon and eCommerce businesses that can scale quickly and reduce costs through corporate synergies. We utilize our in-house, SaaS programmatic ad technology to help achieve a lower cost per acquisition and accumulate consumer data for increased cross-selling between our growing portfolio of brands.
