About Perimeter

Perimeter is a leading provider of industrial products and services that support critical and complex customer missions across a range of niche applications. It comprises six market-leading businesses across two reporting segments: Fire Safety (Perimeter Solutions, Solberg Fire, and Monaco Enterprises) and Specialty Products (PDI, MMT, and IMS). Perimeter prioritizes serving its customers' needs while driving private-equity-like returns, all enabled by its Operational Value Drivers model and decentralized operating structure. Perimeter reinvests in its businesses to strengthen the products and services they provide to customers, and it expects to continue growing organically and through value-creating acquisitions.
