SG Blocks Enters Strategic Alliance to Deploy Its Proprietary Technology in The UK

With Launch of SG Blocks UK, Firm Expands Its Presence to Europe

NEW YORK, May 11, 2015 (GLOBE NEWSWIRE) --[SG Blocks](#) (OTCQB:SGBX), a premier innovator and designer of container-based structures, today announced it has entered into a strategic alliance, which will allow its proprietary technology to be deployed in the UK.

"Europe as a whole is at the forefront of sustainability and we are glad to be entering a marketplace well-versed to ecological concepts," stated Paul Galvin, Chairman and CEO of SG Blocks. "We look forward to the additional deployment of our technology, bringing our efficient and modular construction methods to another major market, where forward-thinking entrepreneurs and investors will take note of the value and uniqueness of our product."

"It is extremely exciting to have such a great American brand expand its presence to the UK," stated John Sansby, a spokesperson for SG Blocks UK. "Our vision was to create a premium eco-friendly container-based construction experience in the UK, this has been made possible by the team we have assembled and our partnership with SG Blocks."

About SG Blocks: SG Blocks, Inc. (SGBX) is a premier innovator in advancing and promoting the use of code-engineered cargo shipping containers for safe and sustainable construction. The firm offers a product that exceeds many standard building code requirements, and also supports developers, architects, builders and owners in achieving greener construction, faster execution, and stronger buildings of higher value. It has four product lines: retail, commercial, military and residential. SG Blocks also has an exclusive 10-year collaboration and supply contract with ConGlobal Industries Inc., the largest shipping container depot operator in the United States. For more information, visit www.sgblocks.com.

About SG Blocks UK: SG Blocks UK is a private, UK-based company operating in London and Manchester and specializing in e-tail, retail and logistics. It is part of SG Blocks Inc. (SGBX), a premier innovator in advancing and promoting the use of code-engineered cargo shipping containers for safe and sustainable construction.
