### About Redfin

Redfin Corporation ([www.redfin.com](http://www.redfin.com)) is a technology-powered, residential real estate brokerage. Founded by software engineers, we run the country's #1 brokerage website and offer a host of online tools to consumers, including the Redfin Estimate. We represent people buying and selling homes in over 80 markets throughout the United States. Our mission is to redefine real estate in the consumer's favor. In a commission-driven industry, we put the customer first. We do this by pairing our own agents with our own technology to create a service that is faster, better, and costs less. Since our launch in 2006 through 2016, we have helped customers buy or sell more than 75,000 homes worth more than \$40 billion.
