About Redfin

Redfin (www.redfin.com) is the technology-powered residential real estate brokerage. Founded by software engineers, we run the country's #1 most-visited brokerage website and offer a host of online tools to consumers, including the *Redfin Estimate*. We represent people buying and selling homes in over 80 markets throughout the United States. Our mission is to redefine real estate in the consumer's favor. In a commission-driven industry, we put the customer first. We do this by pairing our own agents with our own technology to create a service that is faster, better, and costs less. Since our launch in 2006 through 2017, we have helped customers buy or sell more than 120,000 homes worth more than \$60 billion.
