About Redfin

Redfin (www.redfin.com) is a technology-powered residential real estate company, redefining real estate in the consumer's favor in a commission-driven industry. We do this by integrating every step of the home buying and selling process and pairing our own agents with our own technology, creating a service that is faster, better and costs less. We offer brokerage, iBuying, mortgage, and title services, and we also run the country's #1 nationwide brokerage website, offering a host of online tools to consumers, including the [Redfin Estimate](#). We represent people buying and selling homes in over 90 markets in the United States and Canada. Since our launch in 2006, we have saved our customers over \$800 million and we've helped them buy or sell more than 235,000 homes worth more than \$115 billion.
