SinglePoint, Inc. Announces GreenStar Payment Solutions Has Secured Inaugural Accounts Toward Meeting or Beating Annual Goals

PHOENIX, AZ -- (Marketwired) -- 07/22/14 --[SinglePoint, Inc.](#) (OTC: SING) is pleased to announce that [GreenStar Payment Solutions, Inc.](#), the Company's joint venture specializing in cashless solutions for cannabis/medical marijuana clinics and dispensaries, has secured Agreements with clinics and dispensaries in Arizona, Washington and Oregon. These accounts mark GreenStar's official stake in the medical marijuana marketplace (#mmj) marketplace toward becoming a leading competitor, with a primary focus of securing accounts and lateral initiatives to acquire others in this space.

"We are elated with the success of GreenStar to date," states SinglePoint CEO and GreenStar co-founder, Greg Lambrecht. "The venture was formed recently, in late May 2014, and we've expedited the formation of our corporate infrastructure in just over a month, all the while using our teams to harvest leads toward actionable contracts. We are excited that in our first 2 weeks of active sales, we have closed 7 accounts with 3-5 more expected this week."

"Accounts were garnered in Arizona, Washington and Oregon and include brick and mortar locations as well as delivery services using GreenStar's wireless units. This puts us well on track for our annual goals, and we anticipate expedited growth now that sales teams are running full force."

In addition, GreenStar has provided alternative banking solutions to clients that do not currently have accounts, and has begun to receive unsolicited requests for information on the Company's services.

GreenStar continues to work with leads generated at the NCIA's Cannabis Business Summit for industry leaders #cannabiz, and is corresponding with confirmed attendees at #CannaCon 2014, the upcoming Cannabis Expo in Tacoma, Washington during Seattle's HempFest. GreenStar is a sponsoring exhibitor.

GreenStar is a payment solutions company that offers tools and services for both legal Medical and legal Recreational Marijuana Business owners, primarily dispensaries and clinics, allowing customers to use their debit and credit cards to make purchases.

This particular merchant segment generated over \$2 billion in revenues last year, virtually none of which was done through electronic payment devices such as credit and debit cards. GreenStar Payment Solutions, Inc. seeks to foster better business practices for

industry operations while capturing an attractive market share.

Dispensaries and legal business owners in the MMJ sector- Find out how GreenStar can support you with superior business practices, competitive merchant service solutions and key revenue generators to improve your overall bottom line: info@GreenStarPaymentSolutions.com
