About SinglePoint, Inc.

SinglePoint, Inc. provides mobile marketing and payment solutions to small and large businesses. The company operates a mobile commerce and communications platform that allow users to conduct business transactions, accept donations, schedule recurring payments, sell goods and services, deliver content, collect data, and engage in targeted

communication campaigns with their customers/donors through mobile devices. Its products include cashless ATM terminals for using ATM/debit cards and credit cards with pin-based cash advances to pay for their purchases; Pay by Text that allows customers to pay for products using their mobile phones; Text2Bid, a mobile bidding technology that allows users to bid in auctions from text or Web-enabled phones; and TextaDay that provides text message marketing and donation capabilities. The company serves industries, including, nonprofits, religious organizations, auctions, consumer-driven businesses, and restaurants, as well as real estate sales and leasing, and retail businesses. SinglePoint, Inc. was formerly known as Carbon Credits International, Inc. and changed its name to SinglePoint, Inc. in February 2013. The company was founded in 2006 and is headquartered in Phoenix, Arizona.
