## Overwhelming response for LALPINA Water crashes SingleSeed.com, Discount Offered for Relaunch

PHOENIX, June 21, 2019 (GLOBE NEWSWIRE) -- via OTC PR WIRE -- SinglePoint Inc. (OTCQB: SING) ecommerce site SingleSeed.com received an overwhelming response to the news of LALPINA CBD Water, a brand of American Premium Water Company (OTC: HIPH). The companies are ecstatic for the response and demand for LALPINA CBD seen thus far. LALPINA CBD has consistently been a top seller on the site and multiple reorders have occurred. Unfortunately, the website saw so much traffic yesterday it crashed and caused a delay in ordering. The site has since been restored and more resources have been added. For the inconvenience we are offering a 10% discount on LALPINA CBD Water products through the weekend using the code crash at checkout.

"LALPINA CBD has been a great product on our site. And this response for their product is very exciting for SingleSeed and LALPINA CBD. We look forward to continuing our great relationship and shipping orders of LALPINA CBD to all customers. We have resolved the issue and including additional precautions to avoid another outage. Thank you to all the customers supporting LALPINA and SingleSeed." Wil Ralston, President, SinglePoint.

"Our LALPINA CBD water product has been one of the top sellers on SingleSeed in recent weeks, which has resulted in us having to ramp up deliveries due to SingleSeed's ability to get our products out to market. We foresee a long relationship with SingleSeed going forward in helping us expand the LALPINA water line, and the Company's other CBD products, as one of our more successful online distribution partners. We are also exploring other strategic partnerships that will benefit both companies. I look forward to keeping shareholders updated on these developments in the future," concluded Mr. Fishoff.

### About SinglePoint, Inc.

SinglePoint, Inc (SING) is a technology and investment company with a focus on acquiring companies that will benefit from the injection of growth capital and technology integration.
