Avalon GloboCare Appoints Prominent Life Science M&A Attorney Steven Sanders to the Board of Directors

FREEHOLD, N.J., July 31, 2018 (GLOBE NEWSWIRE) -- Avalon GloboCare Corp. (OTCQB: AVCO), a leading global developer of cell-based technologies, announced today that the Company has appointed Steven Sanders, Esq. to the Board of Directors.

Mr. Sanders brings over four decades of experience within the specialized areas of corporate, securities and international law. He has experience representing life science companies including both public and private companies. He has also represented both underwriters and issuers on a variety of public and private financings. He has held senior positions at leading U.S. and international law firms, and founded the Ortolí Rosenstadt LLP law firm, headquartered in New York City, which has represented both domestic and international clients across many industries including life sciences, in areas such as mergers, acquisitions and a variety of other transactions. Steven is a member of the American Bar Association and the New York State Bar Association and the Bar of the City of New York, where he previously served on the European Affairs Committee. In addition, Mr. Sanders sits on the boards of other companies including Helijet International, Inc. and Electrameccanica Vehicles, as well as non-profits such as the American Academy of Dramatic Arts, and the Bay Street Theater. He previously served on the board of the Roundabout Theatre Company, the largest non-profit theater in America and Town Hall. He also was the former Honorary Consul from the Republic of Moldova.

Dr. David Jin, President and CEO of Avalon GloboCare, stated, "We are pleased to welcome Steven Sanders to our Board of Directors. He brings an impressive corporate and international law background, as well as extensive capital markets and M&A experience. He also brings a wealth of knowledge in the life sciences industry. Steve will be an invaluable asset as we pursue strategic partnerships and acquisitions within the cell-therapy industry."

Steven Sanders commented, "I am delighted to join Avalon's Board of Directors. The field of cell therapy is undergoing rapid transformation, as evidenced by recent advancements in immuno-oncology and regenerative medicine. Avalon's exosome technologies and cell-based therapies, as well as its network of leading research institutions in the U.S. and China, place it at the forefront of this emerging market. I look forward to helping Avalon advance its mission of bringing cutting edge therapies to market and saving lives."
