TUA became effective July 1, 2009.

Total operating expenses for the quarter and year ended December 31, 2009 were \$26.1 million and \$88.9 million, respectively, compared to \$15.3 million and \$32.1 million for the comparable 2008 periods. Interest income decreased \$1.5 million for the fourth quarter 2009 and decreased \$12.8 million for the year ended December 31, 2009 compared to the 2008 periods due to lower interest rates in 2009 and a lower average cash balance during 2009. In addition, the fourth quarter of 2009 included a \$0.8 million gain on derivative instruments compared to a gain of \$2.3 million for the fourth quarter of 2008 due to changes in natural gas commodity prices associated with hedges on LNG inventory.
