In light of the growing health impact of the coronavirus (COVID-19) pandemic, the extensive federal and local restrictions on non-essential activities and travel, the restriction of public gatherings of 10 or more people in Texas, and out of concern for the health and well-being of our colleagues and stockholders, the Special Meeting has been changed to be held in a virtual meeting format only.

Instead of being held in a physical location, the Special Meeting will be held virtually. To be admitted to the Special Meeting at <https://www.iproxydirect.com/CEISpecial>, you must enter the control number found on your proxy card or voting instruction form. You may vote during the Special Meeting by following the instructions available on the meeting website during the meeting.

Whether or not a stockholder plans to attend the Special Meeting by virtual means, the Company urges its stockholders to vote and submit their proxy in advance of the Special Meeting by one of the methods described in the proxy statement. The proxy card included with the proxy statement previously distributed will not be updated to reflect the information provided above and may continue to be used to vote each stockholder's shares in connection with the Special Meeting.
