LOS ANGELES, May 9, 2019 /PRNewswire/ -- The critically acclaimed **Game of Thrones Live Concert Experience** will return this fall for a 20-city amphitheater tour, bringing the music of Emmy® Award-winning *Game of Thrones* composer Ramin Djawadi to stunning new life at outdoor theatres across North America. As we say goodbye to one of the biggest shows and scores in television history, relive the greatest musical pieces and footage from all eight seasons in an immersive outdoor concert experience. Tickets for the tour will be available [HERE](#) starting Monday, May 13, 2019, at 10:00am local time and a full list of dates can be found below.

Featuring special appearances by Ramin himself at Northwell Health at Jones Beach Theater in New York City, FivePoint Amphitheatre in Irvine, CA and Hollywood Bowl in Los Angeles, CA, the tour will stop at notable outdoor venues across North America. Having first conceptualized the tour several years ago, Ramin will be reworking and redeveloping the musical and visual elements of the concert to create a brand new live experience that encompasses fan-favorite pieces from the entirety of *Game of Thrones*. The tour will include new musical arrangements from the series' 8th and final season such as the "The Night King" theme, Ramin's epic 9-minute composition that went viral immediately after debuting on the show. Within days, the track garnered millions of streams across the internet, reached the top 4 most downloaded songs on iTunes and the top 18 most watched videos on YouTube, and dropped the jaws of audiences and critics alike:

"A symphonic spectacular." - **The New York Times**

"When Game of Thrones Plays Sad Piano Music, It's Time to Freak Out." - **Vulture**

"In a series known for truly cinematic music, this was still a series highlight...Djawadi's finest on the show." **Nerdist**

"[Ramin] really outdid himself here with the soaring, searching score that gave the episode its own unique flavor while also selling its most emotional beats. It's a true symphony at times." - **Indiewire**

The inaugural run of the **Game of Thrones Live Concert Experience Featuring Ramin Djawadi** kicked off in North America in February of 2017 and was praised by audiences and critics alike as a must-see spectacle for fans of the television series. Following the success of the tour, Ramin embarked on a European run during the spring of

2018 before returning back for a second North American tour in the fall of 2018. To date, the show has amassed a total of 75 arena concerts across the globe. *The Guardian* described the show as "Westeros brought to dazzling life." *Mashable* called it "an epic musical journey," while the *New York Times* praised it as "a symphonic spectacular."

The tour, produced and promoted exclusively by Live Nation in partnership with HBO Licensing & Retail, will continue to use innovative music tour production and video technology that will recreate the various realms found throughout Westeros and Essos as well as showcase footage from the series in addition to new imagery created exclusively for the concert.

Ramin has won one Emmy Award® and been nominated for six Emmy® Awards and two GRAMMY® Awards. Versatility has defined his career, from celebrated television scores for *Game of Thrones*, *Westworld*, *Jack Ryan*, and *Prison Break* to feature films such as *A Wrinkle in Time*, *Mountain Between Us*, *Slender Man*, *The Great Wall*, *Pacific Rim*, *Iron Man* and *Clash of the Titans*. Ramin has even composed scores for blockbuster video games including *Medal of Honor*, *Gears of War 4* and the upcoming *Gears of War 5*.
