CV Sciences Unveils New Aura Collection THC Fizz Tablets

The innovative, lemon-flavored fast-acting tablets provide a quick, uplifting experience, perfect for enhancing social moments or relaxing at home.

SAN DIEGO, CA / [ACCESS Newswire](#) / February 5, 2025 / CV Sciences, Inc.

(OTCQB:CVSI) (the "Company", "CV Sciences", "our", "us" or "we"), a preeminent consumer wellness company specializing in hemp extracts and other proven, science-backed natural ingredients and products, today announced the launch of all-new, fast-acting 2.5 mg THC Fizz Tablets, a part of their Aura Collection line of products. Consumers can add one to two lemon flavored tablets to a beverage, such as water or seltzer, and enjoy the benefits of an uplifting fizz with a zesty lemon flavor. The vegan, gluten free fizzing tablets are made with premium hemp extract, and are now available at select retailers and from the Company's website at www.pluscbd.com/aura-collection.html

"We are delighted to expand our Aura Collection with the addition of these fast-acting and innovative Fizz Tablets," said Joseph Dowling, CEO of CV Sciences. "We are continually developing new and innovative ways to improve the well-being of consumers. This new form factor offers an alcohol-free alternative to minimize stress, inspire calmness, and unlock a deeper sense of relaxation."

The Fizz Tablets join CV Sciences' growing Aura Collection, which launched in September 2024. The uplifting, yet calming portfolio of THC-infused products also includes the Serene and Illuminate Gummies. With their blend of THC and CBD, the Gummies offer therapeutic benefits, allowing patients and adult-use consumers to enjoy peak creativity and relaxation for an improved sense of well-being.

The expansion of the Aura Collection adds to CV Sciences' growing portfolio of premium products designed to improve health and maximize well-being. The Company has recently launched +PlusHLTH™ cannabinoid-free supplements, +PlusCBD™ Reserve gummies, and +PlusCBD™ pet products. For more information, please visit <https://www.cvsciences.com/>.
