National Waste Management Holdings Inc.'s Subsidiary Sand/land of Florida Enterprises Inc., Signs Purchase Agreement to Acquire Landfill in Citrus County Florida

HERNANDO, FL -- (Marketwired) -- 03/05/15 -- **National Waste Management Holdings, Inc.**, (OTCQB: NWMH) announces that its subsidiary, Sand/land of Florida Enterprises Inc. has signed a purchase agreement to acquire a key landfill site as it continues to expand its solid waste management plan. The landfill is a Florida Department of Environmental Protection (DEP) approved construction and demotion (C&D) landfill located in Citrus County Florida. The landfill services several surrounding counties around the central Florida region. Key aspects of the 80 acre site is its ability to service the construction and demolition industry. It is also a permitted yard trash and land clearing debris recycling and disposal site. It currently has 600,000 cubic yards of air space permitted on a 21.7 acre footprint. There is 300,000 cubic yards of sand on site for use and enough area available for 3 million cubic yards of yard trash/land clearing disposal for future permitting and can be permitted in the future for storm debris disposal. The closing of the transaction is subject to normal customary closing conditions. The acquisition conforms to NWMH environmental policy and the company continues to identify further growth opportunities within key areas to further expand its solid waste management plan.
