Recent Khiron Developments

- Khiron High THC medical cannabis product successfully imported into Peru, with first prescriptions to be filled in December through a partnership with Farmacia Universal S.A.C.
- Company's medical cannabis products and clinic services are now covered by Colombia's major health insurance providers, including medical cannabis as a first line therapy
- Announces the opening of its first Zerenia clinic in Medellin, Colombia's second largest city with reach to over 6 million residents in the region
- Mr. Juan Carlos Echeverry is appointed to the Board of Directors of the Company, bringing extensive experience as Colombia's Minister of Finance from 2010-2012 and as CEO and President of Ecopetrol from 2015-2017
- Completed a bought deal financing on November 26, 2020, for aggregate gross

proceeds of \$14,490,000 CAD

- Company surpassed 5,600 patient prescriptions for its medical cannabis products in Colombia
- The Company plans to deploy its Zerenia™ medical cannabis clinics and telehealth strategy in Mexico, building on the success of its vertical integration strategy in Colombia

About LD Micro/SEQUIRE

LD Micro began in 2006 with the sole purpose of being an independent resource to the microcap world. What started as a newsletter highlighting unique companies, has transformed into the pre-eminent event platform in the space. For more information, please visit ldmicro.com.

The upcoming Main Event will be highlighting a new format that will benefit both executives and the investors tuning in from all over the globe.

In September 2020, LD Micro, Inc. was acquired by SRAX, Inc., a financial technology company that unlocks data and insights for publicly traded companies. Through its premier investor intelligence and communications platform, [Sequire](#), companies can track their investors' behaviors and trends and use those insights to engage current and potential investors across marketing channels. For more information on SRAX, visit srax.com and mysequire.com.

About Khiron Life Sciences Corp.

Khiron is a vertically integrated medical and CPG cannabis company with core operations in Latin America, and operational activity in Europe and North America. Khiron is the leading cannabis company in Colombia and the first company licensed in Colombia for the cultivation, production, domestic distribution and sales, and international export of both low and high THC medical cannabis products. The Company has filled medical cannabis prescriptions in Peru and has a presence in Mexico, Uruguay, UK, Spain and also in Germany, where it is positioned to begin sales of medical cannabis.

Leveraging its first-mover advantage and patient-oriented approach, Khiron combines global scientific expertise, product innovation, agricultural infrastructure, wholly-owned medical clinics, and online doctor education programs to drive prescription and brand loyalty to address priority medical conditions. Its Wellbeing unit launched the first branded CBD skincare brand in Colombia, with Kuida™ now marketed in multiple jurisdictions in Latin America, the US and UK. The Company is led by Co-founder and Chief Executive Officer, Alvaro Torres, together with an experienced and diverse executive team and Board of Directors.
