

Executive Biography

Christopher Cebula Executive Vice President, Logistics

As Executive Vice President, Logistics, Mr. Cebula has executive oversight for all of the Company's pellets and HBI sales, procurement, logistics, production planning, and outside processing functions.

Prior to his most recent appointment, Mr. Cebula was Senior Vice President, Chief Administration Officer – Steel Mills, and was responsible for the procurement, logistics and outside processing functions for Cleveland-Cliffs' steel operations. Previously, Mr. Cebula was Vice President – Corporate Controller & Chief Accounting Officer, with responsibility for accounting, internal/external reporting, operations finance, FP&A and finance systems. Since joining Cleveland-Cliffs in 2010, he has also led the Company's risk management and financial planning & analysis functions. Prior to his tenure at Cleveland-Cliffs, he held leadership positions at Protiviti Inc., where he provided risk management and internal audit consulting services to clients, and OfficeMax Inc., where he led the financial planning & analysis function. Mr. Cebula started his career in the financial audit practice at Arthur Andersen LLP.

Mr. Cebula received his Bachelor of Arts Degree from Baldwin-Wallace College.
