NEW YORK, Sept. 17, 2019 (GLOBE NEWSWIRE) -- Better Choice Company, Inc. (OTCQB: BTTR) (the “Company” or “Better Choice”), a global animal health and wellness CBD company, today announced that it has appointed Bruce Linton, Founder of Canopy Growth Corporation (NYSE: CGC), as a Special Advisor to the Company. Mr. Linton will be working with Better Choice to, among other things, (a) expand the Company’s global cannabinoid animal research, (b) build out an internal intellectual property, data and analytics platform and (c) explore strategic initiatives and partnerships for the business.

“Better Choice is focused and has access to funding to deliver research-driven outcomes in the animal health and wellness industry, as the Company develops a data- and research-driven approach to product development and efficacy within the cannabinoids-as-ingredients space,” said Mr. Linton. “The Company has uniquely differentiated itself from many of its peers by successfully merging brands, infrastructure, marketing, logistics and IP development to create a competitive advantage in the CBD space. I look forward to working closely with the Better Choice team to solidify its global expansion plans, identify other strategic opportunities that will increase shareholder value and expand my role at the Company in the future.”

“Bruce is an immensely successful, well-respected entrepreneur and a visionary in the cannabis space with a deep passion for animal health,” added Damian Dalla-Longa, Better Choice CEO. “A core focus of our partnership will be developing a more comprehensive understanding of the benefits of CBD and other cannabinoids for animals in federally permissible ways. Alongside Bruce’s appointment, management, the Board and key shareholders have voluntarily entered into a lock-up agreement for a twelve-month term representing 32% of the fully diluted outstanding shares of the Company. These are transformational developments for Better Choice, and we are excited to accelerate many of our corporate initiatives with Bruce on the team.”
