# Spire Global Schedules Fourth Quarter and Full Year 2021 Results Conference Call

VIENNA, Va.--(BUSINESS WIRE)-- [Spire Global, Inc.](#) (NYSE: SPIR) (“Spire” or “the Company”), a leading provider of space-based data, analytics and space services, announced today that it will hold a conference call with investors and analysts on Wednesday, March 9, 2022 at 5:00 p.m. ET (2:00 p.m. PT) to discuss the Company’s fourth quarter and fiscal year 2021 financial results. The news release announcing the fourth quarter and fiscal year 2021 results will be disseminated on March 9, 2022 after the market closes.

Spire also announced that it will be using a Q&A platform developed by Say Technologies ahead of its fourth quarter and fiscal year 2021 earnings call, to enhance communications and engagement with its shareholders. Verified retail and institutional shareholders will be able to submit and upvote questions. Management will address a selection of the questions relating to Spire’s business and financial results on the earnings call. The platform will open on March 2 at 5:00 p.m. ET and close on March 8 at 5:00 p.m. ET. To submit questions, please visit: <https://app.saytechnologies.com/spire-2021-q4/>.

A live webcast of the conference call will be available on Spire Global’s Investor Relations website at <https://ir.spire.com>. The toll-free dial-in number for the live audio call beginning at 5:00 p.m. ET (2:00 p.m. PT) on March 9, 2022 is 877-841-2968. The international dial-in number for the live audio call is 201-689-8552. The conference ID for the call is 13727310. A replay of the call will be available via the web at <https://ir.spire.com>.

## About Spire Global, Inc.

Spire is a leading global provider of space-based data, analytics, and space services, offering access to unique datasets and powerful insights about Earth from the ultimate vantage point so that organizations can make decisions with confidence, accuracy, and speed. Spire uses one of the world’s largest multi-purpose satellite constellations to source hard to acquire, valuable data and enriches it with predictive solutions. Spire then provides this data as a subscription to organizations around the world so they can improve business operations, decrease their environmental footprint, deploy resources for growth and competitive advantage, and mitigate risk. Spire gives commercial and government organizations the competitive advantage they seek to innovate and solve some of the world’s toughest problems with insights from space. Spire has offices in San Francisco, Boulder, Washington DC, Glasgow, Luxembourg, Singapore, and Cambridge, Ontario. To learn more, visit [spire.com](https://www.spire.com).
