Conferences that have presentations that are publicly webcast will be webcast live. Event replays will be available for a limited time under the "News & Events" section on the company's investor relations website. Please contact your sales representative at the host firms for additional information and to request a meeting with management.

About Spire Global, Inc.

Spire (NYSE: SPIR) is a leading global provider of space-based data, analytics, and space services, offering access to unique datasets and powerful insights about Earth from the ultimate vantage point so that organizations can make decisions with confidence, accuracy, and speed. Spire uses one of the world's largest multi-purpose satellite constellations to source hard-to-acquire, valuable data and enriches it with predictive solutions. Spire then provides this data as a subscription to organizations around the world so they can improve business operations, decrease their environmental footprint, deploy resources for growth and competitive advantage, and mitigate risk. Spire gives commercial and government organizations the competitive advantage they seek to innovate and solve some of the world's toughest problems with insights from space. Spire has offices in San Francisco,

Boulder, Washington DC, Glasgow, Luxembourg, Singapore, Oxfordshire, and Cambridge, Ontario. To learn more, visit spire.com.
