## Anuvu Named a Finalist in the Crystal Cabin Awards 2022

*The company's newest connectivity solution is recognized among transformative cabin innovations evolving the passenger experience*

**Los Angeles, CA – May 5, 2022** – [Anuvu](#), the leading provider of high-speed connectivity and entertainment solutions for demanding worldwide mobility markets, announced today that it has been named a Crystal Cabin Awards finalist in the category IFEC & Digital Services in partnership with Southwest Airlines for its new, ground-breaking connectivity solution enabling airlines to deliver the high-speed in-flight internet passengers' demand.

"It's an honor to be named a finalist in the prestigious Crystal Cabin Awards and highlighted among leading industry solutions that elevate the passenger experience as showcased in the free Wi-Fi trial currently underway with Southwest Airlines," said Mike Pigott, Executive Vice President of Connectivity at Anuvu. "We are thrilled to be working in partnership with Southwest Airlines for over a decade."

"This recognition represents Anuvu's commitment to innovation and marks their newest technology solution that will enhance the inflight connectivity experience for our passengers." said Tony Roach, VP of Customer Experience and Customer Relations at Southwest Airlines.

The Crystal Cabin Awards, an initiative of cluster Hamburg Aviation, is presented in eight categories: "Cabin Concepts", "Cabin Systems", "Health & Safety", "IFEC & Digital Services", "Material & Components", "Passenger Comfort", "Sustainable Cabin", and "University". For each category, the 28 expert members of the jury select three finalists, who are invited to pitch their concepts to the jury in person at Aircraft Interiors Expo. The winners of the 2022 Crystal Cabin Award will be announced at a gala dinner in Hamburg on the

evening of June 14.
