

Company Overview

Nabis Holdings is a Canadian investment issuer that invests in high quality cash flowing assets across multiple industries, including real property, securities, cryptocurrency, and all aspects of the U.S. and international cannabis sector. Led by two of the co-founders of MPX Bioceutical, one of the largest takeovers in the U.S. cannabis space to date, the company has a proven track record in emerging markets to create significant shareholder value. The Company is focused on investing across the entire vertically integrated aspects of the space with a focus on revenue generation, EBITDA and growth.
