SIRIUS XM Radio Announces Live Broadcast Coverage of U.S. Open Golf Championship

Hole-by-hole coverage airs June 18-21 from Bethpage Black in Farmingdale, NY

SIRIUS XM offers 28 hours of on-course coverage Thursday-Sunday; More live coverage than any other TV or radio broadcaster

NEW YORK, June 15 /PRNewswire-FirstCall/ -- SIRIUS XM Radio (Nasdaq: SIRI) announced today that it will offer live coverage of the U.S. Open Golf Championship Thursday, June 18, through Sunday, June 21, on XM channel 146 and on SIRIUS channel 209 with the "Best of XM" programming package. SIRIUS XM's coverage, available nationwide, will include live play-by-play from the Black Course at Bethpage State Park in Farmingdale, NY, plus comprehensive analysis by SIRIUS XM's on-site hosts and reporters.

(Logo: <http://www.newscom.com/cgi-bin/prnh/20080819/NYTU044LOGO>)

Live coverage will start Thursday and Friday at 12:00 pm ET and Saturday and Sunday at 1:00 pm ET and will continue until the conclusion of each day's play. On-course coverage will be immediately followed by a wrap-up of the day's action on *U.S. Open Replay*.

Brian Katrek will host the SIRIUS XM's live championship coverage alongside lead analyst and former PGA TOUR member John Maginnes. From inside the ropes, listeners will hear hole-by-hole updates from on-course reporters Mark Carnevale, the 1992 PGA TOUR Rookie of the Year, PGA TOUR professional Dennis Paulson, and veteran broadcasters Fred Albers, T.J. Rives and John Tautges.

The U.S. Open Championship is considered by many to be the most difficult and complete test in golf. The Black Course, with its length and exceptionally high rough putting a premium on both distance and accuracy, also hosted the 2002 U.S. Open, becoming the first public course ever to host the championship. Tiger Woods won that year's event with a performance that left him as the sole player under par after four days.

In addition to the live play-by-play, listeners will hear daily talk and analysis by SIRIUS XM's lineup of expert hosts.

Playing Thru, hosted by T.J. Rives, will air live from the grounds at Bethpage Black Wednesday through Friday (8:00-10:00 am ET) and on Saturday and Sunday (12:00-1:00 pm ET). *Making The Turn*, with Peter Kessler, will air live from Bethpage on Thursday and Friday (10:00-11:00 am ET) and on Saturday and Sunday (11:00 am-noon ET).

Both shows will feature in-depth analysis of the Open, plus one-on-one interviews with some of the sport's biggest personalities.

Tuesday morning (7:00 am ET) will feature a new edition of *PINionated*, the weekly talk show hosted by popular PGA TOUR member Chris DiMarco and broadcaster Greg Warmoth. The show replays several times throughout the week.

On Tuesday afternoon (2:00-4:00 pm ET) SIRIUS XM will broadcast the pre-championship press conferences featuring some of the field's biggest names including Woods, Phil Mickelson, Sergio Garcia and Geoff Ogilvy.

On Wednesday (2:00-4:00 pm ET), Katrek and Maginnes will host *The U.S. Open Preview Show*, offering listeners a look at the championship field teeing off the following day.

Mad Dog Radio, SIRIUS XM's all-sports talk channel, will broadcast live from Bethpage on Tuesday and Wednesday of Open week. Tuesday's broadcast will feature Bruce Murray and Bill Pidto hosting their daily show, *The B Team*, live (10:00 am-2:00 pm ET). On Wednesday, Gary Williams will be at the course to host the morning show, *The First Word*, live (6:00-10:00 am ET). Mad Dog Radio airs nationwide on SIRIUS channel 123 and XM channel 144.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about the benefits of the business combination transaction involving SIRIUS and XM, including potential synergies and cost savings and the timing thereof, future financial and operating results, the combined company's plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "anticipate," "believe," "plan," "estimate," "intend," "will," "should," "may," or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of SIRIUS' and XM's management and are inherently subject to significant business, economic and

competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond the control of SIRIUS and XM. Actual results may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statement: our substantial indebtedness; the businesses of SIRIUS and XM may not be combined successfully, or such combination may take longer, be more difficult, time-consuming or costly to accomplish than expected; the useful life of our satellites; our dependence upon automakers and other third parties; our competitive position versus other forms of audio and video entertainment; and general economic conditions. Additional factors that could cause SIRIUS' and XM's results to differ materially from those described in the forward-looking statements can be found in SIRIUS' Annual Report on Form 10-K for the year ended December 31, 2008 and XM's Annual Report on Form 10-K for the year ended December 31, 2008, which are filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and SIRIUS and XM disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
