Aethlon Medical to Present at the 2018 BIO Investor Forum

SAN DIEGO, Oct. 16, 2018 /PRNewswire/ -- Aethlon Medical, Inc. (Nasdaq:AEMD), an immunotherapeutic technology company focused on unmet needs in global health, today announced that its CEO, Jim Joyce, will present at the 2018 BIO Investor Forum on Thursday, October 18, 2018 at 3:15 p.m. Pacific Time. The event is being held at the Westin St. Francis Hotel in San Francisco, California. A live audio webcast of the presentation can be accessed at <http://www.aethlonmedical.com/news-media/presentations>. A replay of the webcast will be available until January 15, 2019.

About Aethlon Medical, Inc.

Aethlon Medical is focused on addressing unmet needs in global health. The Aethlon Hemopurifier® is clinical-stage immunotherapeutic device candidate to combat cancer and life-threatening viral infections. The Hemopurifier® has been designation a "Breakthrough Device" by United States Food and Drug Administration (FDA) related to the treatment of life-threatening viruses that are not addressed with approved therapies.

Aethlon Medical is also the majority owner of Exosome Sciences, Inc., which is focused on the discovery of exosomal biomarkers to diagnose and monitor cancer and neurological disease progression. Additional information can be found online at www.AethlonMedical.com and www.ExosomeSciences.com. You can also connect with us on Twitter, LinkedIn, Facebook and Google+.

About BIO and the BIO Investor Forum

BIO, the Biotechnology Innovation Organization, is the world's largest trade association representing biotechnology companies, academic institutions, state biotechnology centers and related organizations across the United States and in more than 30 other nations. BIO members are involved in the research and development of innovative healthcare, agricultural, industrial and environmental biotechnology products. BIO also produces the BIO International Convention, the world's largest gathering of the biotechnology industry, along with industry-leading investor and partnering meetings held around the world.

The BIO Investor Forum is an international biotechnology investor conference focused on early and established private companies as well as emerging public companies. The event features plenary sessions, business roundtables and therapeutic workshops, company presentations, and One-on-one Partnering™ meetings.

Forward Looking Statements

This press release contains forward-looking statements within the meaning of Section 27A

of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934 that involve risks and uncertainties. Statements containing words such as "may," "believe," "anticipate," "expect," "intend," "plan," "project," "will," "projections," "estimate," or similar expressions constitute forward-looking statements. Such forward-looking statements are subject to significant risks and uncertainties and actual results may differ materially from the results anticipated in the forward-looking statements. Factors that may contribute to such differences include, without limitation, the Company's ability to maintain its listing on the Nasdaq Capital Market, or any other national securities exchange, that the Company or its subsidiary will not be able to commercialize its products, that the FDA will not approve the initiation or continuation of the Company's clinical programs or provide market clearance of the Company's products, the Company's ability to raise capital when needed, the Company's ability to complete the development of its planned products, the Company's ability to manufacture its products either internally or through outside companies, the impact of government regulations, patent protection on the Company's proprietary technology, product liability exposure, uncertainty of market acceptance, competition, technological change, and other risk factors. The foregoing list of risks and uncertainties is illustrative, but is not exhaustive. Additional factors that could cause results to differ materially from those anticipated in forward-looking statements can be found under the caption "Risk Factors" in the Company's Annual Report on Form 10-K for the year ended March 31, 2018, and in the Company's other filings with the Securities and Exchange Commission. Except as may be required by law, the Company does not intend, nor does it undertake any duty, to update this information to reflect future events or circumstances.
